

# *“How Come God . . . ?”*

## HELPFUL SCRIPTURES

## SERMON NOTES

Psalm 139:1, 13-16

### **I. ...and Scientists Don't Agree - ?” (Part 1)**

#### **A. The “Doctrine” of Abiogenesis ( “Life Comes from Non-Living Matter”)**

1. “How Did Life Originate?”
  - a. Statements which from two scientists who distill this issue down to its bare essence...

2. Trail-blazing scientists who confronted the “natural order of things”

Genesis 1:11-13

3. The result of this scientific research...

4. The conclusion of the matter...
  - a. The origin of life is “a matter of faith” whether we are talking about science or religion!

Acts 14:16-17

John 8:32

Romans 1:20

- b. The Bible asserts that all life originally came from God.

Genesis 2:7

John 4:24

Ecclesiastes 12:7

Genesis 1:26

Genesis 2:16-17

Genesis 1:26

#### **CONCLUSIONS:**

John 10:10

Romans 6:23

Romans 4:17

Romans 6:3-4

Mark 16:16
