Luke 10:41-42

I. HURRY: The Great Enemy of Spiritual Life

A. “What do I need to do to become the me I want to be?”

1. This question was raised when an older & younger preacher were talking.

2. The customary answer to the church aisle question, “how are you,” is typically, “Fine – just busy!”

B. This “hurriedness” is not Christian... it’s actually anti-Christian.

1. Think about it . . . what quality has the highest value in Christ’s kingdom?

Mark 12:30-31

2. The Bible talks about “*walking with God*,” not “running with God”!

1 John 4:8

1 Corinthians 13:4

3. We hear the words, “I’m great – *just busy*” so often we assume our pathological *hurriedness* is ok.

4. Is it possible our spiritual life is hanging in the balance because we are all in too big a hurry?!

Luke 10:41-42
